KEYNOTE SPEAKER

Michael Guest is Associate Professor of English in the Faculty of Medicine at the University of Miyazaki, where he has lived and worked for 21 years. He is a veteran of over 250 academic presentations worldwide and is the author of several hundred academic papers and articles. He has written two books on conference presentation skills, one in Japanese (学会発表のためのサバイバル英語術 published by Medical View) and a new title, 'Conference and Presentation English for Young Academics', scheduled to be published by Springer before the end of 2018. He has also conducted numerous workshops on academic presentations skills for non-native English speakers all over Asia.

Session organizer: Thomas Mayers
