

TSUKUBA GLOBAL SCIENCE WEEK 2018 Time Table

Date	Time	Venue	101	Conference Rm 102	201A	201B	202A	202B	Hall 200	Convention Hall 300	3F Lobby	Conference Rm 301	Conference Rm 303	Conference Rm 304	Conference Rm 401	Conference Rm 402	Conference Rm 403	
			School Theater 100号	School 144 Party 250	School 144 Party 250	401 90/ 42	601 110/ 42	601 110/ 42	601 110/ 42	601 110/ 42	230/ 324/ -	24/ 40/ 24	60/ 100/ 48	40/ 80/ 42	30/ 60/ 30	30/ 60/ 30	30/ 60/ 30	
9/20 (Thu)	9:00									(9:30-10:45)								
	9:30									Opening Plenary		Waiting room for executives and guests						
	10:00																	
	11:00																	
	12:00								1-1 T-PIRC Symposium: Innovation for global food production towards sustainable future	1-2 The roles of athletes for achieving SDGs								
	13:00		Network Session															
	14:00																	
	15:00		1-2 Actions for SDGs through Sports in Developed and Developing Countries	8-1 AI in Society 5.0	7-1 Student Poster Presentation on Materials Research (NIMS Collaborative Doctoral Program & TMS)			2-12 Combating global infectious diseases		1-2 T-PIRC Symposium: Innovation for global food production towards sustainable future	8-13 Innovation for the Sustainable Development by Industry-University collaboration		Waiting room for executives and guests	8-3 Bridging cultures in an academic environment.				8-15 How to create a global startup city
	16:00																	
	17:00		Network Session															
18:00																		
9/21 (Fri)	9:00																	
	10:00		8-6 TGSW-Interdisciplinary workshop on science and patents 2018 (TGSW-WP2018)-Technologies for Sustainable Society in Environment-SDG	8-10 Enhancing 21st century skills in Language Teaching: CEGLOCC, QITEP & RELC Collaborative Session	2-8 Research on humanities and social sciences corresponding to "people beyond country borders" as seen from Central Asia	9-1 Towards Microbial Control ver. 3.0	3-3 International Joint Symposium of Agro-Biomedical Science in Food and Health: leap to the future of food and health		2-9 3rd International Symposium on Nature-Culture Linkages in Heritage Conservation in Asia and the Pacific: Disasters and Resilience	9-1 Towards Microbial Control ver. 3.0		Waiting room for executives and guests	8-9 Evolution of the Universe and Origin of Matter	2-2 Expeded impact of the inclusive education	8-5 Mountain Wind ~Frontiers of Research on Strong Wind and Foehn Phenomenon~	2-3 Responding to Refugee Crisis and Disaster: New Approaches in the Humanities and Social Sciences	2-10 Possibilities and Problems in Sustainable Development	
	11:00																	
	12:00		Network Session															
	13:00																	
	14:00																	
	15:00		8-6 TGSW-Interdisciplinary workshop on science and patents 2018 (TGSW-WP2018)-Technologies for Sustainable Society in Environment-SDG	8-10 Enhancing 21st century skills in Language Teaching: CEGLOCC, QITEP & RELC Collaborative Session	2-8 Research on humanities and social sciences corresponding to "people beyond country borders" as seen from Central Asia	2-1 Challenges for sustainable care in public health and nursing	9-1 Towards Microbial Control ver. 3.0	2-9 3rd International Symposium on Nature-Culture Linkages in Heritage Conservation in Asia and the Pacific: Disasters and Resilience					Waiting room for executives and guests	8-9 Evolution of the Universe and Origin of Matter	8-12 Development of Academic Partnership to Sustain Biomedical Research in South East Asia	2-5 The Sustainability of Society and Social Change	2-3 Responding to Refugee Crisis and Disaster: New Approaches in the Humanities and Social Sciences	2-11 For achieving SDGs: important tasks of officers at the UN and World Bank
	16:00																	
	17:00		Network Session															
	18:00																	
9/22 (Sat)	9:00																	
	10:00		8-6 TGSW-Interdisciplinary workshop on science and patents 2018 (TGSW-WP2018)-Technologies for Sustainable Society in Environment-SDG	9-11 Data Science in Collaboration on Language		8-18 Beyond the border: how we realize the diversity and gender equality in the future?	4-1 Ensemble of Light with Molecules, Materials, and Life for Sustainable Society					Waiting room for executives and guests	2-4 Food Production Logistics and Achieving Traceability for Food Safety in Southeast Asia	2-6 Air Pollution and its Biological Effects	8-7 Tsukuba-Hamburg Young Scholars' Workshop: A Compass for Navigation in Buddhist Textual Studies	8-2 Road to being a researcher	Meeting (8-12)	
	11:00																	
	12:00																	
	13:00		Network Session															
	14:00																	
	15:00		8-6 TGSW-Interdisciplinary workshop on science and patents 2018 (TGSW-WP2018)-Technologies for Sustainable Society in Environment-SDG	8-11 Data Science in Collaboration on Language	5-1 Student Presentation Battle	3-4 Beyond Borders for SDGs implementation	4-1 Ensemble of Light with Molecules, Materials, and Life for Sustainable Society						Waiting room for executives and guests	2-4 Food Production Logistics and Achieving Traceability for Food Safety in Southeast Asia	2-6 Air Pollution and its Biological Effects			
	16:00																	
	17:00																	
	18:00		TSUKUBA Declaration & Reception															
~20:00		TSUKUBA Declaration & Reception																

As of July 27, 2018						
Conference Rm 404	Conference Rm 405A	Conference Rm 405B	Conference Rm 406	Special Rm 302	Outside Congress Center-1	Outside Congress Center-2
30/ 60/ 30	30/ 55/ 30	30/ 55/ 30	100/ 100/ 60			
	6-1 Student Presentations (Poster posting, Medical Science & Life Science)		3-2 Student Presentations (Poster & Oral Presentations, Medical Science & Life Science)			
	6-1 Student Presentations (Poster posting, Medical Science & Life Science)		3-2 Student Presentations (Poster & Oral Presentations, Medical Science & Life Science)			
3-1 2nd CIC Students' Workshop	6-1 Student Presentations (Poster posting, Medical Science & Life Science)		3-2 Student Presentations (Poster & Oral Presentations, Medical Science & Life Science)			
3-1 2nd CIC Students' Workshop	6-1 Student Presentations (Poster posting, Medical Science & Life Science)		3-2 Student Presentations (Poster & Oral Presentations, Medical Science & Life Science)			
8-16 How to promote eel sustainability	8-14 Art and Design Research for Sustainable Development		8-8 Promotion of East Asian Sports Sciences Focusing Body Work Study			
8-17 How to promote a wine industry cluster	8-14 Art and Design Research for Sustainable Development	8-4 Scientific English Workshop	8-8 Promotion of East Asian Sports Sciences Focusing Body Work Study
